

# Program of Work

Use the program of work to plan your year. Start by adding dates for FCCLA state and national deadlines. Work with your officer team to decide on service learning projects, STAR Events work days, fundraising opportunities. HINT: Include other school and community activities to help the members see the big picture.

|                                                                                                                                |                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                              |
